

**RESIDENT RATEPAYERS  
M.D. OF PROVOST NO. 52**

**DUST CONTROL APPLICATION**

It is the policy of the MD to offer the application of MG-30 as a means of dust control to resident ratepayers at 25% of product cost for the initial application. Applications will be accepted until April 15<sup>th</sup> of each year, and late requests will not be accepted. Applications will be accepted for a **minimum distance of 500 feet** and up to a **maximum of 1000 feet per site**.

The applicant will recognize roadways are subject to seasonal weather changes, traffic volume and vehicle weight. Dust controls will be maintained as required at the discretion of the MD of Provost, which may impact the effectiveness and life expectancy of the dust suppressant. Applicants may apply for a second application of MG-30 at the same rate as the initial application (25% of product cost) to be received by July 31 of the same year. Late requests will not be accepted.

The MD guarantees that the dust control will be applied in the same year in which the application is received. The MD retains the right to refuse the application of dust control if such is deemed unfeasible after inspection of the site.

Ratepayers acknowledge and agree that the MD makes no guarantee as to the life expectancy of the material process.
