

## WHERE CAN WE RECYCLE?

Please be advised that effective January 1<sup>st</sup>, 2024, the Regional Landfill, the Amisk, Czar and Bodo Transfer Stations will no longer be accepting any plastic Chemical Containers. See below.

As of January 1<sup>st</sup>, 2023, most of the "low-volume" municipal jug collection sites phased out collections and growers in these areas will turn to their local ag retailer (or the point of purchase) for recycling their containers in Spring 2024.

For now, Chemical container bags are available at the Landfill, Transfer Sites and at Provost and Hughenden Public Works Shops.

**Landfill:** Tires. Compost Material. Wet Cell Batteries (Car, RV, Marine). Used Oil. Plastic Oil Containers. Oil Filters. Propane Tanks. Fire Extinguishers. Heavy Metals.
